

17th NATIONAL SYMPOSIUM ON MARINE SCIENCE

20 - 22 JULY 2023 | BATANGAS CITY, PHILIPPINES

CALL FOR ABSTRACTS

DEADLINE: **31 JANUARY 2023**

The Philippine Association of Marine Science is convening the 17th National Symposium on Marine Science with the theme "Saving our Seas: Restoring our marine systems for people and nature" on 20-22 July 2023. We are now calling for abstracts from all those who wish to join in the oral or poster presentations.

GUIDELINES FOR ABSTRACT SUBMISSION

Open to undergraduate or graduate students, researchers and other professionals who wish to present original research or development work within any of the inclusive disciplines of marine science. It is preferred that the research work be in line with the theme of the Symposium.

The Abstract must contain the following information:

Title of the work:
Must not exceed 30 words.

Main Content:
Must not be more than 300 words and must be written in one paragraph. It must contain the summary of the work done and must concisely contain the main problem being addressed, the research approach used, and the main scientific findings.

Keywords:
Must not exceed five key words/ phrases.

Submission must be done online through the link provided below on or before **31 January 2023 at 11:59 PM.**

Each entry will be evaluated, and authors with accepted abstracts will be notified by e-mail and be given further instructions regarding the oral or poster presentation format and the mechanics of the competition (if competing).

Only students who will officially register their participation in the Symposium can join the oral or poster competitions.

Submit abstracts online at <https://pams.ph/> via Oxford Abstracts

REGISTER TO SUBMIT AN ABSTRACT

- 1** On <https://pams.ph/>, scroll down and click on Abstract Submission.
- 2** For first-time users, the link will lead to a registration page for the abstract submission platform Oxford Abstracts. You may register with an existing Google account, LinkedIn, or via an email address. When successfully registered, you will be taken to a landing page with instructions to return to the PAMS Website.
- 3** Return to <https://pams.ph/>, and click on the Abstract Submission link again while signed into Oxford Abstracts. You should be taken to the abstract submission form.
